
The Portland Guitar Society is a nonprofit organization for people who love the guitar and guitar music.

Membership in the Portland Guitar Society costs only $25 per year and helps to fund our monthly meetings and community outreach. Your membership guarantees the future of PGS and keeps our meetings free to the community.

We welcome additional contributions to the general operating fund of PGS so we may better support local students, concerts and workshops. All donations are tax deductible. Monthly meetings are free and open to the public, and both guitarists and listeners are welcome.

If you prefer, you may join or donate online at pdxguitarsociety.org
