

The Portland Guitar Society
Advani Grant Application

The late Gulu Advani loved the guitar and was an active member of the Portland Guitar Society. In 1991, the Society established the Advani Scholarship Fund in his memory.

The intent of the Fund is to help serious students of the guitar who have financial need* pursue their studies. Limited grants are made for lessons, master classes, sheet music, or any other expense clearly related to guitar study. Grants are awarded at the discretion of the PGS Board of Governors based upon funds available. Students need not be enrolled in any formal study in order to apply.
